GEN. & REV. DEPT. Bangalore 2 - AUG 1919

CHIEF SECRETARIAT POLITICAL BRANCH 2 AUG 1919

A copy of the marginally* noted letter, with enclosure, is forwarded and its ~~to the~~ with compliments to the Chief Secretary to the Government of His Highness the Maharaja of Mysore for information.

Dis.C. *No. 1568, dated the 24th July 1919, from the Commissioner of Coorg.

2. The Chief Commissioner trusts that the Durbar will be good enough to take such action in the matter as will enable Messrs. Hay & Co., to forward Government and other goods to Coorg.

Secretary to the Chief Commissioner.

C. O. 53.—R. P. B.—5-1919.—2,000.

Letter Dis.C. No.1568, dated the 24th July 1919, from C.A. Souter, Esq., I.C.S., Commissioner of Coorg, Mercara to the Secretary to the Chief Commissioner of Coorg, Bangalore.

I have the honour to state that Messrs Hay & Co. Paschimavahini, in their letter dated 18th July 1919, (copy enclosed) inform me that great inconvenience is caused to them in procuring carts to transmit Government goods, owing mainly to the restrictions imposed on the cart-men by the Mysore authorities on carts passing to the Coorg Province. These restrictions are responsible for the non-receipt of more than half the quantity of stationery articles required for the use of the various departments in Coorg for 1919-20 and also for the very insufficient supply of arrack to the Bonded Warehouse, Mercara. I request that you will be so good as to move the Chief Commissioner to address the Mysore Durbar to remedy matters.

Letter dated 18th July 1919, from Messrs. Hay & Co., Bangalore City, to the Commissioner of Coorg, Mercara.

We have the honour to hand you copy of our letter to the Deputy Commissioner, Mysore District, for your information. We may mention that we are having great difficulty in getting carts to take your goods and also goods of private parties to Coorg owing to the restriction and trouble given by the Mysore Government officials on the Frontier.

The cartmen who formerly took your goods up never carted timber before, but as soon as these restrictions have come into force regarding fodder and gram they have taken to timber carting between Mysore and P'Vahini and Hunsur

as

as they say they get sufficient hire for this work and are not inconvenienced or troubled in any way by officials on this route. Consequently carts are exceedingly scarce and extremely difficult to get for Coorg.

We shall feel highly obliged if you will kindly do ~~some~~ something to help us in this matter; otherwise it will be next to impossible for us to receive and forward goods to Coorg in the future.
